

3 Dates to Remember

Tuesday, Sept. 12 — 6:30 p.m.

Revitalization & Development Committee “Public Hearing” on Backyard Chickens

Borough Council is considering the request of a number of residents to change its ordinance banning the raising of chickens in the Borough. The Revitalization & Development Committee has been tasked by Borough Council to examine the issue and make recommendations. This will be your chance to have your say, in favor of, or against, backyard chickens

Saturday, Sept. 16 — 8 a.m - 1 p.m.

Electronics Recycling Event and fall cleanup*

Response was so huge in the spring, we are doing it again. Borough residents can dispose of electronics items for free at this event being held in the **Municipal Parking Lot, on Water Street**. We will also have some dumpsters for disposing of large, non-metal, non-appliance household items like old furniture (sorry, no metal or tires at this event). This event is first come, first served. Once all the dumpsters are full, we will not accept further items, so plan to come out early. After 10 a.m. we will accept CDRA-eligible electronics items from non-Borough residents for a fee.

** Fall cleanup dumpsters are for Borough Residents only*

Thursday, Oct. 5 — 6:30 p.m.

Finance Committee “Public Hearing” on 2018 Budget

Borough Council’s Finance Committee will unveil its first working draft version of the 2018 Budget. Come out to get a look at the Borough’s finances and to have an opportunity to weigh in with your thoughts about the Borough’s budget for the coming year.
